

Report of Department of Electronics for Year 2025-26

The vision of our department is to provide high-quality education in electronics and communication engineering, Equip students with strong theoretical knowledge and practical skills. Also to promote innovation, research, and development in areas like embedded systems, communication, and electronics design. Prepare students for industry, higher studies, and entrepreneurship and encourage ethical values and social responsibility in engineering practice.

➤ **Proud Moments in Academics**

- ❖ One of the significant academic achievements has been pass percentage of nearly 80%, for last outgoing batch of students.

Students were on roll-call: 29

Students passed with distinction: 08

Students Passed with First class: 12

- ❖ 23(79%) students have successfully completed the course in April 2025. 36% of students have opted for higher studies in reputed Engineering colleges, while 7 (24%) students have

been placed at various industries through institutional efforts.

- ❖ **Krishnendu Vijay Vithal** was awarded **Best Outgoing Student** for All Round Performance

including Academics & Sports.

- ❖ Our students had participated in **Institution Innovation Council (IIC) state level project**

competition 2025 conducted at Government Polytechnic Curchorem held on 21st March, 2025 under guidance of lecturer Smt. Manisha Sajane and has won **1st place**.

- ❖ Also the lecturer **Smt. Manisha Sajane** has been awarded with **Best Exemplary Mentorship Award**.

➤ **Proud Moments in Sports & Curricular Activities**

Students have participated and also won numerous **sports** awards at national, state-level, and inter-collegiate tournaments.

- 1) Anushka Dicholkar participated in State Level Cricket Team
- 2) Adarsh Singh played in National Level Hockey
- 3) Sathak Salunke won State Level Karate Championship
- 4) Janhavi Virnodkar

- Winner of IDS Badminton (Individual-September 25)
- Runner Up of IDS Table Tennis (September 25)
- Won 2nd Place in State Level Women Badminton Double (August 25)
- Won 3rd Place in State Level Badminton Mix Double (August 25)
- State Level Rank 2nd in State Level Badminton (October 25)

- 5) Students won 2nd place in One Act Play organised by Institute with the theme “ **Say No to Tobacco**”

6) Students of the department, Prathmesh Patil, Rohit Kovrekar, Onkar Phate, Sadananad Naik, Prajit Kunkoleinkar, Adarsh Singh have taken active participation in winning 1st Place in IDS (Inter Diploma Sports) Cricket.

➤ **Field Trips & Expert Talks**

The department is actively strengthening its industry connect through Memorandums of Understanding (MoUs) with industries. These collaborations aim to facilitate internships, expert lectures, industrial visits thereby bridging the gap between academic learning and real-

world applications.

1. EDII Goa Centre ,EDC Ltd & Directorate of Industries, Trade & Commerce (DITC) organized

Entrepreneurship Development Programme under Mukhyamantri Swayam Rojgar Yojana.

2. Veertrons Engineering LLP Belagavi gave expert lecture on industry-relevant projects.
3. Department had organised Field Visit for Final Year students (37Nos) at IFB Industries (AC Unit), Verna on 5th January, 2026.
4. A field visit was organized to the IFB Industries AC Unit in Verna, providing students with practical exposure to air-conditioner manufacturing and assembly processes.

➤ **Events & Drives**

▪ The Electronics Department conducted cleanliness drive on the occasion of Gandhi Jayanti. Students and faculty actively participated in cleaning classrooms, labs, and surrounding areas, promoting hygiene and environmental responsibility.

▪ A tree plantation drive was organized by Department of Forest to promote environmental awareness and sustainability. Students and staff actively participated by planting saplings in and around the campus.

▪ A yoga session was conducted as part of the Audit Course for Final year students to promote physical and mental well-being among them. The session included basic asanas, breathing techniques, and relaxation exercises, helping participants improve focus, reduce stress.

- A mini project exhibition on Autonomous Robots was conducted to showcase students' innovative ideas and practical skills in robotics. The exhibition encouraged creativity, teamwork, and hands-on learning, while giving students an opportunity to apply theoretical knowledge to real-world technological solutions.

➤ **Industrial Training**

Our Academic year 2025-26 have started with industrial training for third year students. Some of our industries where students have undergone training are Siemens Electrification and Automation , Commscope, Ready system, Syntagon, Zydus Lifescience Ltd, Goa Shipyard Ltd, Hately Computers, Daud Electricals etc.

➤ **Scholarships**

- 1) The Rotary Club of Panaji provides scholarships to support deserving and financially needy students in pursuing their education. This initiative aims to encourage academic excellence, reduce financial barriers, and empower students to achieve their career goals. Following students received the Rotary Scholarships in 2025-26.

1. Anchal Nalkar : 3rd Year
2. Nilaksh Savant : 3rd Year
3. Shreyas Bhandiye: 3rd Year
4. Prathamesh Patil : 3rd Year
5. Tanmay Sutar : Passed out April 2025
6. Sakharam Gawas : Passed out April 2025
7. Rohit Naik : Passed out April 2025

- 2) Blue Cross Scholarship Award benefitting students for year 2025-26 were

- 1) Nijamuddin Desur & Elijah D'Silva – 1st Year
- 2) Bealika Haldankar – 2nd Year

- 3) P&G Betiyaan Scholarship for a girl student for year 2025-26 was awarded for

- 1) Reenaz Desai – 3rd Year

➤ **Project Exhibition Program**

There will be project exhibition of our third year students at the end of the semester.
